FINAL TERMS

MiFID II PRODUCT GOVERNANCE – Solely for the purposes of the product approval process of each Manufacturer (i.e., each person deemed a manufacturer for purposes of the EU Delegated Directive 2017/593, hereinafter referred to as a "Manufacturer"), the target market assessment in respect of the Notes as of the date hereof has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II") and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (an "EU Distributor") should take into consideration each Manufacturer's target market assessment. An EU Distributor subject to MiFID II is, however, responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining each Manufacturer's target market assessment) and determining appropriate distribution channels.

UK MIFIR PRODUCT GOVERNANCE – Solely for the purposes of the product approval process of each UK Manufacturer (i.e., each person deemed a manufacturer for purposes of the FCA Handbook Product Intervention and Product Governance Sourcebook, hereinafter referred to as a "UK Manufacturer"), the target market assessment in respect of the Notes as of the date hereof has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("COBS"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (the "EUWA") ("UK MiFIR") and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "UK Distributor") should take into consideration each UK Manufacturer's target market assessment. A UK Distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Rules") is, however, responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining each UK Manufacturer's target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("EEA"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97, as amended (the "Insurance Distribution Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129, as amended (the "Prospectus Regulation"). Consequently, no key information document required by Regulation (EU) No 1286/2014, as amended (the "EU PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPS Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom ("UK"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the EUWA; (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (the "FSMA 2000") and any rules or regulations made under the FSMA 2000 to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the "UK PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

PROHIBITION OF SALES TO CONSUMERS – The Notes are not intended to be offered, sold or otherwise made available, and will not be offered, sold or otherwise made available, in Belgium to "consumers" (*consommateurs/consumenten*) within the meaning of the Belgian Code of Economic Law (*Code de droit économique/Wetboek van economisch recht*), as amended.

ELIGIBLE INVESTORS ONLY – The Notes may only be held by, and may only be transferred to, eligible investors referred to in Article 4 of the Belgian Royal Decree of 26 May 1994 ("Eligible Investors") holding their Notes in an exempt account that has been opened with a financial institution that is a direct or indirect participant in the Securities Settlement System operated by the NBB.

2 RATINGS

Ratings:

The Notes to be issued have been specifically rated:

S & P: BBB+

Moody's: A3

Each of Moody's France SAS ("**Moody's**") and S&P Global Ratings Europe ("**S&P**") is established in the EU and registered under Regulation (EC) No 1060/2009, as amended (the "**EU CRA Regulation**").

Each of Moody's and S&P appears on the latest update of the list of registered credit rating agencies as of 10 July 2024 (https://www.esma.europa.eu). Explanation of ratings by S&P:¹

An obligation rated 'BBB' exhibits adequate protection parameters. However, adverse economic conditions or changing circumstances are more likely to weaken the obligor's capacity to meet its financial commitments on the obligation. Ratings from 'AA' to 'CCC' may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the rating categories.

Explanation of ratings by Moody's:²

Obligations rated A are considered upper mediumgrade and are subject to low credit risk. Moody's Ratings appends numerical modifiers 1, 2, and 3 to each generic rating classification from Aa through Caa. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category; the modifier 2 indicates a mid-range ranking; and the modifier 3 indicates a ranking in the lower end of that generic rating category.
